APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued with the same conditions as permit No. 1548, for which a change is asked. The proofs under this change shall refer to Permit No. 1548 and shall be considered as a part of such permit. Duplicate maps etc. need not be prepared where one map or instrument shows the conditions.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.2 cubic feet per second.

Actual construction work shall begin on or before October 27th, 1913.

Proof of commencement of work shall be filed before November 27th, 1913.

Work must be prosecuted with reasonable diligence and be completed on or before December 27th, 1913.

Application of water to beneficial use shall be made on or before September 4th, 1916.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before October 4th, 1916.

WITNESS MY HAND AND SEAL this 27th. day of August, 1913.

Proof of labor filed NOV 12 1913

Map filed FEB 24 1914

Proof of beneficial use filed FEB 13 1917

Map filed FEB 14 1917

APPLICATION FOR CHANGE IN THE PLACE OF USE OF THE PUBLIC
WATERS OF THE STATE OF NEVADA.

Date of first receipt and filing in State Engineer's Office, JAN. 21,
1913.

Returned to applicant for correction _____

Corrected application filed _____

The undersigned, William A. Johnson, of Wells, County of Elko, State of Nevada, hereby makes application for permission to change the place of use of waters heretofore appropriated under permit #1548, filed in the office of the State Engineer, December 7th, 1909, and approved by the said State Engineer on the 8th day of March, 1912.

The point of diversion as named in application #1548 is given as follows: In the SW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 6, Township 41, North, Range 61 East, M.D.B & M.

The source named in application #1548 is given as Tom Cain Creek.

The land named to be irrigated in application #1548 is given as follows: N $\frac{1}{2}$ of Section 1, Township 41, North, Range 62 East, M.D.B & M.

Whereas, this application has been approved and upon survey and investigation it was found that the description of the land to be irrigated was erroneous, and

Whereas, it was intended that the land to be irrigated should be the N $\frac{1}{2}$ of Section 1, Township 41 North, Range 60 East, M.D.B & M.

Now, therefore, in view of conditions which require this water right to be attached to the N $\frac{1}{2}$ of Section 1, Township 41 North, Range 60 East, M.D.B & M., for the purpose of showing a water right for this land in proving up on desert entry No. 04564, application is hereby made to change the place of use of the water granted in permit #1548, and it is intended to use such water on the N $\frac{1}{2}$ of Section 1, Township 41 North, Range 60 East, M.D.B & M.

The point of diversion shall remain the same as given in permit No. 1548.

The number of acres to be irrigated is 320.

The quantity of water applied for for such change of place of use is applied for as 3.2 cubic feet per second.

Irrigation will begin about May 1st of each year and end about September 30th of each year.

The water will not be returned to the stream.

The works will consist of a dam ^{made} of rock and earth, and ditch 3 feet wide 1 $\frac{1}{2}$ feet deep and on a grade of 15 feet per mile.

Estimated cost of works \$1500.

Estimated time required to construct works 30 days.
